## ADAMSTOWN COMMUNITY COLLEGE

### APPLICATION FOR 1<sup>ST</sup> YEAR 2022

Dear Parent/Guardian,

The enrolment process for incoming 1st years, for September 2022, opens on Friday 1st October 2021. Applications are accepted up to, and including, Friday 22nd October 2021. Any application submitted after that date will be deemed late. You can apply to the school via an online form which will be available on the website from 1st October 2021. Alternatively, you can fill in a hardcopy application form. This form will be available from the front office of the school but will only be accepted after 1st October 2021. Making an online application would be our preferred method and once the form is submitted you receive a confirmation email.

Before the introduction of Covid-19 restrictions, we would have visited our feeder Primary schools and would have invited parents and prospective students into the school for an open evening. We are not allowed to do either of these at the moment. Our staff have put together a series of short videos which hopefully will give you a flavour of what we do in our school and will help students to make informed option subject choices. Links to these videos will be put up on the website on 30th September. I would encourage you to view these videos and you will get a look at what we are doing in our classrooms.

An assumption has been made in the past that if you have a child in one of our named feeder schools or you already have a child in this school that you will get an automatic enrolment into Adamstown Community College. This is not the case and it is necessary that we get an application for each student wishing to attend our school.

Kind regards,

---

Dave Anderson

Principal
